Step 9:  
Start KYC  
process

The screenshot shows the Binance website interface. The main content area is titled "Basic Info" and includes sections for "Identity Verification", "Advanced Verification", and "Withdrawal Limits". A modal window titled "Basic Verification" is overlaid on the page. The modal contains the following text and form fields:

- Back arrow and close button (X)
- Basic Verification**
- Please input authentic information of your own, otherwise your basic verification might fail.
- Your nationality:
- Full Name:
- ID Number:
- Continue** button
- Disclaimer: This information is used for identity verification only, and will be kept secure by Binance.

A yellow arrow points from the "Continue" button in the modal to the "Continue" button in the background interface.

Step 10:  
Basic  
information

The screenshot shows the Binance profile settings page. A modal window titled "Basic Verification Complete" is centered on the screen. The modal features a green checkmark icon, the text "Basic Verification Complete", and two buttons: "Go to Advanced Verification" (highlighted with a yellow arrow) and "OK". The background page shows the "Basic Info" section with user details like "yo\*\*\*@gmail.com" and "VIP0 Maker: 0.075%". Below this, the "Identity Verification" section is visible, including "Personal details" and "Advanced Verification" with "Address verification" options. The "Withdrawal Limits" section shows a limit of "2BTC" for withdrawals within 24 hours.

Step 11:  
Advanced  
verficiation

The screenshot shows the Binance website's profile settings page. The browser address bar displays "binance.com/en/my/settings/profile". The page header includes the Binance logo and navigation links for "Buy Crypto", "Markets", "Trade", "Derivatives", and "Finance". The user's account information is visible, including the email "yo\*\*\*@gmail.com" and a VIP level of "VIP0". The "Basic Info" section is active, showing "Identity Verification" and "Advanced Verification" options. A modal window titled "Identity Verification" is overlaid on the page. It contains a "Country/Region of Issue" dropdown menu set to "China (中国)" and a "Select Document Type" dropdown menu set to "ID Card". A yellow arrow points from the "Continue" button in the modal to the "ID Card" option in the dropdown. The background page is dimmed, showing a "Verify" button and an "Upgrade to higher limit" button.

Step 12:

Step 13:  
Upload  
ID photo

The screenshot shows the Binance website's profile settings page. The browser address bar displays 'binance.com/en/my/settings/profile'. The page title is 'Basic Info' with a sub-header 'Protecting Personal Information'. The user's email is 'yo\*\*\*@gmail.com' and their account type is 'VIP0'. The 'Advanced Verification' modal is open, showing instructions for facial recognition. A yellow arrow points from the 'Advanced Verification' section in the background to the camera icon in the modal. The modal contains the following text:

**Advanced Verification**

**Important Notes** [Example](#)

- Don't use beauty photos
- Don't make up
- Don't wear hats
- Don't take screenshots

Please ensure that your face is centered, well lit, and visible when capturing the photo to avoid facial recognition errors.

Step 15:  
Face  
identification  
continue

The screenshot shows the Binance user interface. At the top, the navigation bar includes the Binance logo, a grid icon, and links for 'Buy Crypto CNY', 'Markets', 'Trade', 'Derivatives', and 'Finance'. On the right side of the top bar are links for 'Wallet', 'Orders', a user profile icon, a bell icon, 'Download', and 'English | USD'. The left sidebar contains a menu with 'Dashboard', 'Payment', 'Security', 'Reward Center', 'Task Center', 'Settings', 'Basic Info', 'API Management', 'Preferences', and 'Referral'. The main content area is titled 'Basic Info' and includes a 'Protecting Personal Information' toggle. Below this, there are sections for 'Identity Verification', 'Advanced Verification', 'Address verification', and 'Withdrawal Limits'. The 'Advanced Verification' section is currently active, showing a modal window with the text 'Advanced Verification' and 'Detecting now'. The modal contains a circular camera view of a person's face and a graphic of a document with a checkmark. The background of the page is dimmed, showing buttons for 'Facial verification', 'Verify', and 'Upgrade to higher limit'.
